

Polychem Color Collections

Your business. Your coatings. Your choice.

Polychem
A DIVISION OF IFS COATINGS, INC.

Welcome to Polychem

Polychem powders are quality powder coatings available in thousands of colors and effects. Polychem is used across a wide range of applications, and offers:

- Stock RALs
- 5lb minimums
- Custom color matching - 5lb mins
- Only 5 – 7 days for a custom color*
- Expedited color matches and production available***
- Quality powder
- Competitive pricing

The Polychem team is ready to help you with your powder coating needs!

This card shows only a few colors from each collection and there are many more! Talk to your rep for free sample panels or check out the full collection online.

To order Polychem powder coatings, request sample panels, or ask a question, please visit **polychemcoatings.com** or call **866-437-2864**.

*More colors, application tips, product information including product type suitability to interior/exterior applications and cure charts are all available at **polychemcoatings.com**.*

* Lead time may vary depending on raw materials availability. Check with your rep.

*** Fee applies.
